### After School Tutoring and Activities

**After School Tutoring and Activities** will begin on **Tuesday, October 6th**. Tutoring will be offered in **Language Arts/Reading, Math, and Science**. We will also offer "Game Day" which will include outside games such as Ultimate Frisbee and Kickball. These events will take place every Tuesday and Thursday from 4:20 – 5:20. Students will need to be picked up at the school at 5:20 or they may take the activity bus. Please note that the bus routes are different than the normal routes. Buses will take students only to the school closest to their homes and the times may vary somewhat due to the stops needed to be made. **Starting Tuesday, November 3rd**, we will begin the "Go Club" as well. This is a strategic board game that originated in ancient China and is enjoyed by millions worldwide. Students will report to the cafeteria at their normal dismissal time and the teachers will meet them there to take them to their respective activity.

**Cross Country Is in full swing!!!**

Last year, The Girls Team was 4<sup>th</sup> in the entire District and the Boys Team earned the title of: DISTRICT CHAMPS! This year both our teams have the potential to take both District Titles!!!!!! We have two dual meets here on campus in coordination with Basketball games!

**Please come for the b-ball and stay for the running! Our teams need your support!**

On a side note, Lexington Boys are off to a great start this season. On 9/22 the boys competed against 10 other schools at the Estero Pre-season Invitational and placed 7 runners in the top 25!!!! Their first dual meet against Three Oaks, 10/1 was a total domination with a score of (less is better) 19 vs. 54. The boys are well on their way to making school history by capturing back to back cross country titles.

The Lady Lynx runners, are also off to a great season. On 9/22 the girls placed 7 runners in the top 25 against 10 other schools at the Estero Invitational. With a new batch of 6<sup>th</sup> grade girls, we have a rejuvenated team that has the potential to place 1-3 in the finals! The girls did a phenomenal job of pressuring the Three Oaks runners. Even though the girls lost against The mighty blues, the score was only 10 points apart, 20 vs. 30. This is a pretty significant change for our girls, because Three Oaks Girls Are "the Team" to beat this season for a district title!

Thanks All,
